TAPPING THE TOP – PROFESSIONAL - STUDENT INTERACTION FUNCTION

Tapping the Top (TTT) enters its 24th year in Billings, Montana. TTT will be held Monday 5:00-7:00 at the Poolside Terrace of the Holiday in Grand.

All students who are interested in a career in range management are encouraged to attend the Tapping The Top Student – Professional Function. TTT offers students the opportunity to visit with experienced range professionals about what it is like to have a career in range management. Students talk to professionals about what it is they do day to day in their job, what they enjoy most, and what they would have done differently in a casual atmosphere. It is a great opportunity to find out about the broad scope of jobs and regions to work in the range profession. You will get the scoop on what you want to do from someone who has been doing it for a few decades.

Professionals, if you want to share what you have learned with the students who will be filling your shoes as future range professionals please attend Tapping The Top. We appreciate your 20 plus years of great support. We invite all professionals with experience and enthusiasm to attend TTT and share it with these young professionals. This is your chance to have an impact on the profession of range management.
