

Texas Section Society for Range Management

Dear Potential Sponsor and Meeting Attendee:

August 3, 2009

The Texas Section Society for Range Management (TSSRM) is meeting in Beaumont on October 7-9, 2009. The theme for the 2009 meeting is "Hills to Bays, the Impacts are Clear."

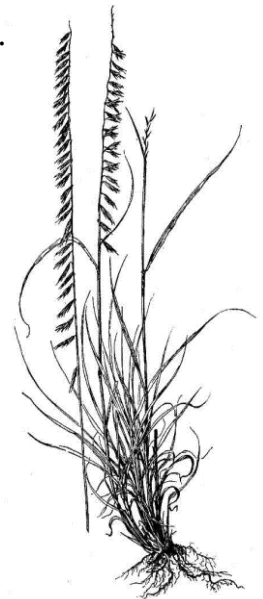

There will be pre-convention activities on Wednesday October 7th followed by a Mixer that evening featuring the music of the "Members of the Ace in the Hole Band." Thursday morning will be the official opening of the meeting followed by an awards luncheon and a tour of the marsh country. Friday has a full slate of presentations and activities as well. Please watch the Texas Section Society for Range Management website for full details, as there are too many details to mention in this letter. Registration packets will be posted on the website by mid August.

We have really reached out to other groups and organizations in Texas in our marketing campaign as we hope to bring different groups together under one roof to celebrate the positive impacts that Texas Range Stewards have on our State in providing clean water to our creeks and rivers all the way down to the bays and estuaries.

Registration is limited to the first 500 people who send in their registration.

The sponsorship categories are as follows:

Lone Star	\$2000.00 and above
Trailboss	\$1000.00 to \$1999.00
Point Rider	\$500.00 to \$999.00
Wrangler	\$250.00 to \$499.00
Silver Spur	\$100.00 to \$249.00
Concho	up to \$99.00
