

Dear Sponsor:

The Society for Range Management (SRM) cordially invites you to participate in our 2006 Annual Meeting and Trade Show in Vancouver, British Columbia, Canada, February 12-17, 2006. The meeting and trade show will be held at the Hyatt Regency Hotel and Fairmont Hotel Vancouver. These two hotels are across the street from each other in downtown Vancouver.

The Society for Range Management is a professional and scientific organization whose membership is involved with studying, conserving, managing, and sustaining the varied resources of rangelands, which comprise nearly half of the land in the world. Established in 1948, SRM has more than 4,000 members in 48 countries. Members include ranchers, rangeland managers, scientists, educators, students, and conservationists. We anticipate over 1500 participants at the meeting.

In Vancouver we are looking forward to a wide range of interesting and world class symposia, workshops and technical sessions. Some examples are: Grazing Forested Rangelands, Water Quality, Wildlife Habitat Analysis, Collaborative Resource Stewardship Process, Grazing to Enhance Wildlife Habitat, Range Management School, Grazing – Riparian – Fish: beneficial coexistence?, Riparian Monitoring, Grasslands in Northern China, Native Plant Materials – new approaches, Effects of Alternate Economic Growth Rates, Hands-on monitoring and much more.

We are seeking the support of individuals, conservation districts, government and non government agencies, businesses, and others with a common interest in managing our rangeland ecosystems to host this annual meeting.

Five sponsorship levels are available: **Bronze, Silver, Gold, Platinum, and Diamond.**
